Tawny Kitten Autographed 8x10 color Photo

COA From Autographs Etc

All of my autographed photos have authentic, original (not reprinted) autographs. They are stored with acid-free boards (mats) in closed bags. Contact me if you have any questions about the autograph & what kind of authentication comes with it.

U.S. Shipping & Handling

Item will be mailed within 1 business day of payment.

All photos are mailed in stiff photo mailers. If you want the photo shipped in a box or some other way, the cost of shipping will be more. Contact me prior to purchase so I can send you an invoice for the extra shipping charges, all photos are mailed in bags with acid free boards (mats).

I will combine shipping for multiple purchases if purchased on the same day. For Buy It Now items, please contact me prior to purchase. That way I won't have to refund excessive shipping charges and I can send you an invoice for the charges.

Shipping rate is based on the actual weight of all items purchased plus a shipping & handling fee. The combined handling fee is the greatest handling price plus 50 cents for each additional item, in addition to the shipping cost by weight.

International Shipping

Item will be mailed within 1 business day of purchase. **Please remember that it can take 3 to 6 weeks to receive item.**

For First Class International, which is the least expensive way and is limited to 4 pounds, I will provide a Customs Label but it does not have to be scanned by USPS. I have no way to track the package.
